Restaurants

Appetite, they say, comes with eating and grows when offered an array of choice. That is exactly what the Astoria provides – to a superbly high standard as acknowledged by the Gault Millau restaurant guide.

Beloved Asian dishes as they are prepared for generations along the Mekong river are awaiting you at the **Restaurant Mekong** – fantastic noodle soups, refined curries in all variations and perfectly made sushi and sashimi. An Asian inspired world of its own with cool drinks and hot sounds.

In a thought after modern ambience made out of rich materials and shiny crystal chandeliers, **Restaurant Latino** serving a innovative and market fresh bistro cuisine. You choose from classic meat dishes from organic Ojo-de-Agua beef, best sellers as original Caesar salad or Wienerschnitzel, etc. The well sorted wine list is completing the outstanding dining experience.

The **Thai Garden** ranks as one of Switzerland's best Asian restaurants – and has done for more than 15 years. Its highly experienced kitchen brigade whisks diners away to another world of harmonious and beguiling flavours courtesy of choice delicacies inspired by the sumptuous traditions of Thai hospitality. Diners are invited to abandon themselves to the mesmerising fragrances of tropical gardens, rivers and lakes – and immerse themselves in a world of sensuality and colour, joie de vivre and enjoyment.

Grandeur and select detailing loom large in the wonderfully atmospheric **La Cucina** – a great place for lingering over the gorgeous Italian-inspired cuisine. La vita e bella – a visit here is truly a feast for the senses thanks to the delectably refined cucina italiana which comes courtesy of Capo and his team of skilled chefs: mouth-watering antipasti and risotto, meat and fish dishes prepared with creative flair, homemade pasta, pizze baked in a wood-fired oven.

Penthouse – Roof Top Bar

Meeting friends, celebrating business success or appreciatively sipping a cocktail – the refined top-floor Penthouse Lounge enjoys magnificent views over Lucerne and is one of the city's favoured meeting places.
